Dear Your Excellency:

Your statement made on the floor to U.S. Congressmen on May 11, 1976 saluting to the people of North Caucasias is indeed deeply appreciated, not only by North Caucasian Community in the U.S.A. but also more than 3 million descendants of North Caucasias, whose forefathers were the people persecuted and driven out by Russian Imperialist conquerors.

As you are well aware, our descendants are scattered through out the Middle East, the majority residing in Turkey, because of the Tsarist Imperialist occupation followed by most inhuman totalitarian communist terrorists.

We, as citizens of Turkey and descendants of North Caucasian ancestors, do support an unequivacally our brother organization for liberation of the North Caucasias Inc. in the U.S.A. under leadership of our brother Soobzokov.

In conclusion, we take liberty to express our deep appreciation and gratitude to you for your stand on behalf of all decent North Caucasian descendants against the tyrannical conquerors of our beloved nation.
